No 4/2019 Term 4 Bulletin

December 2019

Principal's Message

Tēnā koutou katoa

As another successful year for Tararua College comes to an end, I would like to take a few moments reflecting on the events of 2019.

Over the last few months I have often mentioned change and the need to embrace change. If there is one thing that 2019, at Tararua College, will be remembered for, it will be change.

A change to how the junior curriculum is delivered, with Collaborative Learning taking centre stage, with our year 9 and 10s. The teaching staff worked hard to develop programmes to enhance the core skills of our junior students.

Communication, collaboration, teamwork, innovation and creativity have been foremost in our minds as the year progressed. We hope that the students have benefitted from this approach to learning, and we truly believe that this will set them onto a path to success in the future.

A change to year level whānau classes allowed staff to focus more on specific issues for each year group. Wellbeing Wednesdays were introduced and saw each year group learning and discussing age related health and wellbeing issues each week. We intend to enhance whānau time further next year, but remain committed to maintaining links with students'

whānau, and as much as possible we will try and ensure the students will stay with their whānau teacher as they move up through the College.

A change of Principal with Jon Ward moving on and the Board appointing me as the new Principal brought with it more opportunity for change. However, for me, that change must be focused on change for improvement. Collaborative Learning will continue in 2020, but this will be enhanced with more time also being spent on content knowledge for each subject as well as literacy and numeracy.

And finally, a change to the look of the school. Almost every building on the campus will see some form of face-lift over the coming months and years. The major re-roofing project, already started, is just the beginning. With the planning for a new teaching block to replace A block now underway, 2020 will bring with it opportunities to shape the way the College looks for decades to come.

Continued on next page...

Principal's Message contd...

Although this work will be quite disruptive to the school, the pain will all be worth it in the long run. This will ensure that we are able to provide a school, which is not only moving toward a modern teaching programme, but one which is delivered in modern, up-to-date facilities.

So, as you can see, the changes which have been introduced in 2019, are only the start of many more changes to come. I hope that as we move into 2020, we continue to improve in all aspects of the College life. We should always seek to do better; to challenge ourselves and our students to set the highest standards and achieve our ambitious goals.

We will also continue the focus on the College values of Respect, Involvement and Excellence, and I hope that all our students, both present, and future can learn from these in order to make them the confident responsible citizens we know they can be.

A final word to Tararua College students themselves. Thank you for all your hard work throughout the school year. Celebrating your achievements in all aspects of College life has been a highlight of the year. Best wishes to all those that are leaving us this year, and remember that you are always very welcome to come back and visit us in the future.

To finish, I would just like to wish all friends and family of Tararua College a happy and healthy Christmas and New Year, and I am looking forward to 2020, which I am confident will be another enjoyable and successful year for us all.

DONATION SCHEME FOR STUDENTS IN 2020

The Board of Trustees of Tararua College have agreed to opt into the Government's new school Donation Scheme. This means that College will receive \$150 per student as part of its Operational Grant at the start of 2020.

The payment replaces the need for the school to request donations from parents/caregivers.

There are some costs which will still require payment such as school uniform, sports subs, musical instrument or singing tuition, costs for materials used in the production of items which are then taken home. (e.g. a table made in hard materials technology), extra-curricular clubs, and optional activities (e.g. junior electives). Details of these costs will be made clear when a student signs up for an activity.

A donation of overnight camps as part of specific course delivery may be requested by the College. These, however, are voluntary payments and will be at the discretion of the parents/caregivers as to whether they pay none, part of or all of the donation.

Voluntary donations can still be paid to the school by parents/caregivers and will always be welcomed, but these will not be requested or appear on the students school account.

During the year additional costs may arise for special events, items or activities such as school photos and visiting theatre groups.

ELECTIVES 2019

Our junior students have been on elective week. There were many electives on offer this year. Students were involved in extreme sports where they went out on daily activities from 'Off the Loop' Waterpark in Foxton, Cloud 9 Trampoline Park and white water rafting in Mangaweka. Another group went out to the coast on the Kiwi Kai elective where they went diving for paua and other seafood, and came back to school and provided a hangi for everyone. A group attended a barista course and cheesemaking Elective. Other students attended electives at school where some painted a mural, others making soap, or film prep and production prep where they created a series of movie trailers and teasers to promote Production 2020.

Our students and staff who went to Samoa are home safely and had a wonderful trip of a lifetime and have formed relationships and experiences that will be with them forever.

START OF YEAR DETAILS FOR 2020

We confirm the start dates for the 2020 year in order for you to enter them on your calendar.

All Year 11, Year 12 and 13 students who have not confirmed their courses are required to come to school briefly on Wednesday 22 and Thursday 23 January to confirm their courses for 2020. Course confirmation will take place from 9am - 12noon in the Library.

Year 13 Leadership Programme will run from Monday 27 until Wednesday 29 January here at the College.

The first day for Year 9 students will be on Tuesday 28 January, please meet in the bus park at 8.50am, where they will be welcomed to school with a Pōwhiri. Students are to wear their college uniform and bring pens, paper, appropriate PE shorts, top, swimming togs and a towel.

Students from all year levels, families/whānau are welcome to attend the Pōwhiri.

All year 9, 10 and 13 students will be at school on Wednesday 29 January. All students are to report to the school hall at 8.50am.

The first day for Year 11 & 12 students will be on Thursday 30 January. This means that all year levels will have started. Students need to bring pens, paper and an appropriate school bag, ready to begin lessons.

All students are to be in correct, clean uniform and approved footwear.

If you haven't already ordered your uniform, please contact Kami Flitten at the college on 376 8344 ext. 213. Pre-ordered uniforms will be available for collection from 21 January.

A reminder that piercings are to be removed or a clear plastic retainer used, and hair must be of a reasonable style and natural colours with no shaved patterns.

School will start at 8.50am and finish at 3pm.

Please contact the school if you have any questions regarding any of the above. The school office is open 9 - 4.30pm until 13 December and will reopen on Tuesday 21 January 2020.

BACK TO SCHOOL STATIONERY

You can order your stationery now, or later. We recommend that students bring pen and paper on the first day back.

Ordering

If you would like to purchase these items in person, please go to Paperplus, Pahiatua. Stationery Lists are available from our website, or when you follow the online ordering process.

Pahiatua Youth Arts Trusts Award

The Pahiatua Youth Arts Trust Award was originally established in 1981 to celebrate the Pahiatua Centennial and to recognise excellence and potential in the Arts by young people and to encourage and reward them for their excellence.

It was established as a prestigious award and applied to any chosen field of the Arts.

An endowment fund was set up to allow for a prize of up to \$1000 to be awarded each year to be used by the students as they wished.

In 2020 the trust will be wound up and the endowment fund will be gifted to Tararua College Educational Trust to enable them to continue recognising Art student of Tararua College for years to come in their endeavours for excellence in their chosen field of the Arts.
